

Mishkan T'filah

As a Bat Mitzvah project, I look forward to working with our congregation to raise enough money to be able to purchase the "Mishkan T'filah" for our synagogue.

I am excited to reach our goal, which is to have enough funds to supply 200 of these new prayer books to fully enlighten our services. This will include 10 large print editions for our inventory. I know that this is a great opportunity and very exciting for everyone in our temple.

Out of appreciation to our temple, my family will fully match each \$72 bookplate purchase. As there are two books you will get a bookplate in both the Weekday & Festival book and the Shabbat book. You can dedicate each one to the same person or two different ones.

Each prayer book purchase offers a very nice opportunity to honor, or memorialize, someone special to you.

You may dedicate each prayer book by telling us how to inscribe a bookplate which will remain inside that prayer book always. All temple members and attendees will be able to see your kind donation for many years to come.

Thank you,

Dori Bergman
